categories wise selection

The image is a screenshot of a blog post from a website called "BLOGSPHERE". The header features a circular placeholder for a profile picture next to the word "BLOGSPHERE". Below the header, a tagline reads "Exploring Tomorrow's Innovations, One Byte at a Time." On the right side of the header is a "Sign In" button. The main content area has a heading "Category: Programming". Below the heading, it says "Posted by: Godson T on Oct 4, 2023". The central part of the image shows a dark-themed code editor window displaying several lines of React code. The code includes hooks like useState, useEffect, and useDispatch, along with variables like setIsRemoving, setError, and success.

```
const [isRemoving, setIsRemoving] = useState(false);
const [error, setError] = React.useState(null);
const [success, setSuccess] = React.useState(false);
const dispatch = useDispatch();
```

Posting something

The screenshot shows a user interface for creating a new blog post. At the top left is the 'BLOGSPHERE' logo. To its right is a subtitle: 'Exploring Tomorrow's Innovations, One Byte at a Time.' On the far right are two buttons: a white button with a plus sign and the text 'Create new' and a dark green circular button with a white letter 'G'. Below this header is a section titled 'Create Post'. It contains a title input field with the word 'test' and a larger content input field also containing 'test'. At the bottom of this section is a grey bar with the placeholder 'Paste the link and click on Add' and a small '+ Add' button.

Sign in/Log in

The image shows a sign-in page for a website named "BLOGSPHERE". At the top left, there is a logo consisting of the word "BLOGSPHERE" inside a circle. Below the logo, the word "BLOGSPHERE" is displayed again in a larger, bold font. Underneath that, a subtitle reads "Exploring Tomorrow's Innovations, One Byte at a Time.". To the right of the subtitle is a "Sign In" button. The main area of the page is titled "Sign in" and features two large, rounded rectangular buttons for social logins: "Sign In With GitHub" and "Sign In With Google".
